To whom it may concern,

Subject: Letter of recommendation.

Leonardo Valentim Neves was a part time trainee (as a student of Lusofona University) at Big Ear Games from 3rd Apr 2024 to 26th July 2024 (remotely).

During the training time his tasks involved game design and character animation in Unity.

Big Ear Games team was impressed by his skills, motivation and personal character.

I am convinced that he will succeed in his career and will contribute to any gaming company.

Best regards,

Aviv Ben Yehuda
